About the Finish

Polished Nickel Finish

With its subtle golden hue this is a mellow alternative to polished chrome. The finish is not coated and will oxidise naturally. If not regularly buffed with a soft cloth this finish will subtly change over time by taking on an aged patina.

Useful Information

- The EPR range can be fitted from the back or front of the cabinet.
- If fixed from the back, please allow for a 3.5mm gap between drawers or cut a 3mm recess for flush fitting.

Box Contains

- 1 Edge Pull
- All fixing screws and fasteners
