# About the Finish

## Satin Nickel

With its honeyed grey tone created by brushed nickel plating on brass, this finish closely matches Stainless Steel but offers a warm and subtle alternative which is popular in traditional and modern décors.

### **Useful Information**

• If replacing an existing Cabinet Pull it may be simpler to install if you select a pull which matches the existing centre to centre of the screw holes

## **Box Contains**

- 1x Cabinet Pull
- All fixing screws and fasteners
