HERITAGE BRASS ELECTRICAL PLATE FINISHES

Heritage Brass offers a variety of finishes. The illustrations throughout the catalogue provide a good representation of these finishes subject to the constraints of the colour printing process. Viewing the actual finishes in differing types of light may cause subtle perceived differences in colour tone. Whilst much care is taken in maintaining the consistency of our antique finishes, colour tones and surface patterning may vary slightly due to the individual plate finishing processes involved.

STANDARD FINISHES

- 
01 Polished Brass
 Warm, traditional and opulent.
- 
02 Polished Chrome
 A bold and contemporary finish with a mirror effect.
- 
03 Satin Chrome
 The brush marks create a modern matt finish which is less prone to finger marks than polished finishes.
- 
44 Satin Brass
 A modern alternative to traditional Polished Brass, this brushed texture beautifully mellows the colour of solid brass.
- 
05 Satin Nickel
 The honeyed grey tone created by brushed nickel plating on brass provides a warmer alternative to Satin Chrome.
- 
06 Polished Black Nickel
 A highly reflective finish created by adding a black dye to polished nickel plating.
- 
66 Satin Black Nickel
 A semi gloss finish with brush texture creating a softer alternative to Polished Black Nickel.
- 
08 Polished Nickel
 This reflective finish gives a warmer alternative to Polished Chrome.

PAINTABLE FINISHES

- 
PW Primed White
 Finished with high quality white primer, these plates can be painted to meet specific colour requirements.

ANTIQUÉ FINISHES

- 
07 Polished Bronze
 A gloss alternative to Matt Bronze with a subtle dark chocolate colouring.
- 
09 Matt Bronze
 This rich finish with a hint of chocolate colouring proves to be a popular choice for traditional and contemporary interiors.
- 
91 Antique Brass
 A variation on brass which retains a warm character but adds maturity by highlighting the variance of shades.
- 
AP Aged Pewter
 This matt grey finish with brush texture provides a tonal midway point between Satin Nickel and Satin Black Nickel.
- 
RB Rustic Brass
 This striking hand created mottled finish highlights a range of brass shades creating an aged rustic appearance.
- 
RN Rustic Nickel
 This striking hand created mottled finish highlights a range of nickel shades creating an aged rustic appearance.
- 
RC Rustic Copper
 This unique hand created mottled finish highlights a range of copper shades creating an aged rustic appearance.

POWDER COATED FINISHES

- 
XBK Matt Black
 A sleek and contemporary textured finish.
- 
XWH Matt White
 A clean and simple textured finish.

VINTAGE GLOSS WHITE

Screwless Plate

Gloss White XGL

VINTAGE GLOSS WHITE

This luxuriously silky finish is created by applying a high quality paint to solid brass plates and sealing with a gloss lacquer. The Vintage Gloss White collection shares the popular characteristics of our Vintage Range; a screwless front plate with minimal projection from the wall and soft round edges.

Gloss White Dimmer

SEVILLE RANGE

Screwless Plate

Seville Brass

THE SEVILLE RANGE

This unique range pairs Polished Brass and Polished Chrome inserts with our luxuriously silky Gloss White finish. Created by applying high quality paint to solid brass plates and sealing with a high gloss lacquer, the Seville Range offers a charming combination of finishes. Choose Seville Brass for a style echoing the timeless elegance of marble and gold or Seville Chrome for a more modern look.
