

# Best Brass Switches & Door Hardware Supplier 2024 - GCC

Heritage Brass is a premium supplier of high-quality luxury brass door hardware and electrical wiring accessories. Let's take a closer look as the company wins its prestigious title in our UAE Business Awards 2024.

**H**eritage Brass is the market leading brand of M. Marcus Limited, a sophisticated 80 year old British family run company.

Heritage Brass Building Materials Trading LLC is the exclusive supplier of M. Marcus architectural hardware & electrical wiring accessories in the UAE and wider GCC market.

Heritage Brass Building Materials Trading LLC was established in Dubai in 2013, and now, 11 years later, it has built a reputation for excellence.

Heritage Brass supplies superior quality products and has developed a wide ranging list of clients from high end residential villa communities & mansions to hospitality and commercial projects such as Versace Palazzo Hotel Dubai, & Ritz Carlton Beach Resort Ras Al Khaimah & Dubai Mall.

Always ensuring an accurate and complete product presentation for each of its new clients, Heritage Brass invites new clients to fully experience what is on offer. From electrical switches and sockets to door and cabinet hardware, Heritage Brass' diverse portfolio of products helps its clients to create an air of elegance throughout their property. Working hard to understand exactly what each client is looking for, the business starts with seamless communication and a no-pressure approach to its clients.

Heritage Brass understands that each interior has its own story and character. With this in mind the company offers door hardware, cabinet hardware and electrical accessories in a variety of designs and finishes to suit all projects.

Of course, advancing the world of interior design is no small task. However, with Heritage Brass' dedication to its products, there is something for everyone to benefit from. No matter what you're looking for, for all of your electrical switch and hardware needs, Heritage Brass' products are made to last, they're of an extremely high quality, and they result in an elevated look across any property.

A spokesperson for Heritage Brass tells us, "The UAE market is ideal for premium products as customer's are looking for high end and high quality products which are not widely available." Working so closely with its partner, and ensuring it is properly certified, the business makes it possible for the UAE market to gain access to products which offer the highest form of style and class.

Awarded with Best Brass Switches & Door Hardware Supplier 2024, GCC, Heritage Brass has gained recognition in our UAE Business Awards 2024 for its sheer dedication to supplying premium products of contemporary design and spotless manufactured quality.

Furthermore, the team is committed to providing the best customer experience available in its realm. The spokesperson reveals, "Our team can provide the additional service of site visits upon request, assist in product selection, sample and order delivery and after sales support in the UAE. All products sold by Heritage Brass LLC will include the full technical support of the Heritage Brass team in the UAE. We are specialists in electrical wiring accessories, door hardware and cabinet hardware."

This level of devotion to customer satisfaction, alongside the premium products served to its clients, has pushed Heritage Brass to the forefront of its industry – and we're sure to see the company continue to exceed expectations.
